Prepare your shipment (detailed guidelines attached)

This is a computer-generated invoice and does not require a signature.

Seller is required to arrive at the correct date and time as per delivery appointment taken by them, else Blinkit holds the right to reject delivery of shipment. Seller can schedule/reschedule/cancel the appointment using the Seller Hub dashboard.

Seller is required to ensure that each sellable inventory unit has a UPC barcode and correct MRP printed/pasted on the outer packaging. This should match the UPC code on UPC image uploaded by seller at time of product listing.One carton should only contain items of one UPC.

Seller is required to send the original GST invoice along with the material to the delivery address. The invoice should clearly mention UPC, item name, quantity, price, MRP, tax breakup (CGST, SGST, IGST, Cess), and expiry/manufacturing dates.

In case of any discrepancy between the GRN note and actual GRN, please raise a ticket on Seller Hub dashboard within 10 days of delivery. Please ensure you include the opening footage and Proof of Delivery (POD) for the received shipment.

For DN pickup, pls raise a ticket ~2 days in advance on Seller Hub dashboard, so that warehouse is pre-informed and prepares your shipment. In case of no action being taken DN stock would be liquidated after 7 days.
